| Like his team mates worked like a Trojan in the first half and was a constant menace to the visitors worked hard for his 2 goals. | |

YES ITS TRUE THE MATCH REPORT IS REAL....Finally we have a match to report on, having suffered so many shopping trips and taking the dog for a walk hundreds of times it was nice to get back to normal duties.

AFC Blackpool where the visitors to the gala field in what should be a close encounter, as usual we offer a warm welcome to all there supporters.

Team News: Again without a goalie we also had Ryan Matthews (suspended) Ryan Williams (broken ankle the 3rd time).

In the opening 15mins there wasn't much between the sides cancelling each other out throughout, then the game sparked into life when **GOAL ACTION** Jack (JR) Newsham sends in a delightful free kick which found the head of Scott Anderson who heads home into the top corner (1-0) this ruffled the feathers of high flyers AFC and where under the cosh when Rangers started to turn the screw. Minutes later Anderson evades his marker to unleash a 20 yarder which rattled the AFC bar with the keeper all ends up.

AFC tried to get into there stride but Rangers closed them down giving them no time to play. Anderson began to be a thorn in the AFC side when again the hitman latched onto a Paul Evans free kick but fires wide.

On 37 mins it was **GOAL ACTION** again for Rangers when another JR free kick troubled the AFC rearguard for Sam Witter to head home at the far post.(2-0)Rangers was buzzing and nearly went in at the break 3 up but Marshall Maggs fires just past the post.AFC thought they had pulled one back but the player used his hand a bit like Thierry Henry to bundle the ball home only for the sharp eyed linesman who spotted it (well done Stuart...)ht 2-0

After the half time pep talk the next goal was going to be the crucial one if Rangers got it would be game over if AFC get it there back in it was the talk at the interval. **GOAL ACTION** on 52 mins when AFC curled a beauty into the far corner leaving stand in keeper Alex Dunkerley no chance .(2-1) AFC tails where up and it was Rangers under the cosh who couldn't string 2 passes together, **GOAL ACTION** on 58 mins AFC levelled with a mistake from Rangers in defence allowing the visitors to score.(2-2)

Madness again as Rangers collapsed allowing AFC 3 further goals all mistakes from us putting the game beyond our reach, at 5-2 down Anderson restores a bit of pride **GOAL ACTION** on 75 ins when he swivels on a sixpence ...or was it a dustbin lid ...anyway he left his marker to stab home with his left foot into the corner of the net. (3-5) Rangers pushed further up pressing for more goals but AFC broke away **GOAL ACTION** and scored another on full time.

Summary: After a impressive gutsy first half and thoroughly deserving there 2 goal lead the second half was completely different where Rangers just surrendered once AFC had levelled the score. Disappointed was the verdict at the end from all the players, hopefully we can get it right quicker rather than later. Heads up lads we have to believe in our ability and the rest will look after its self.
