<p>A rock throughout and made some fantastic's tackles at crucial times along with is sidekick Alex Bethell ,a man mountain type of performance and capped it off with the opener from a bullet header to open the flood gates.</p>	
<p>Good Afternoon and again we Welcome Ian Chadwick's travelling army of friends and supporters of South Shore Juniors to the Gala Fields they must be the best supported club in the league to the extent we had to put extra stewards on in what should be a cracker. Again there was no refreshments for there large numbers ....sorry Ian (can't get the staff).</p> <p>Team News; Again without the all rounder James Wilson and thingamajigs' (Stevie Heywood) im terrible with names.</p> <p>Well nothing to report for the first 15 mins as both teams where cancelling each other out in what was a scrappy affair from both teams Apart from the odd goal mouth scramble from both teams again there wasn't much to report, Jack Newsham went close along with Scott Anderson but never troubled the Shore keeper.Shore went close on a couple of occasions but was thwarted by the impressive duo of Alex Bethell and the outstanding Sam Witter.</p> <p><b>GOAL ACTION</b> on 35 mins when the dynamic Matty Berry in swinging corner found the head of Sam Witter who rose like a salmon to head home from 10yards to open the scoring. (1-0)Rangers carried on the momentum and the inspirational Ryan Matthews was at the forefront of a lot of Rangers attacking play assisted by the gifted Berry.</p> <p><b>GOAL ACTION</b> on 44 mins as the pressure paid off with Rangers stand in right midfielder Jack Newsham latched on to a through ball from Paul Evans and lashed a unstoppable 20 yarder into the top corner.(2-0)Shore was shell shocked with the score line especially with nothing between the two sides' 2-0</p> <p>Rangers started the second half like they finished the first in possession and on top and within mins Jack Newsham let fly with a left foot curler which had the keeper well beaten but nestled on top of the net.momments later Matthew Berry chips in a delightful ball into the powerhouse Scott Anderson who glances a header into the keepers arms.</p> <p>Ryan Matthews was dictating the play with his counterparts Berry, Evans and Newsham and his energy levels was second to none as he pulled all the strings in some wonderful football played by Rangers. <b>GOAL ACTION</b> on 60 mins when Goal Machine Anderson latched onto a very impressive Mike Smith through ball and thundered a 20 yarder from the edge of the box into the bottom corner.(3-0)</p> <p>Shore never really troubled Rangers second half and any sign of any danger was dealt with by the impressive Alex Bethell Paul Stoney Mike Smith and Sam Witter. Marshall Maggs replaced Lee Brambles and was a thorn from the word go with a impressive display of determination for his team .<b>GOAL ACTION</b> on 77 mins when Maggs spun his marker who then fed Berry who slipped in Newsham who unselfishly played the ball back to Berry who calmly slots the ball past the keeper.(4-0) Rangers could and should of extended there lead but a fine save from the keeper prevented Matthews from increasing there lead with a 20 yard rasper but the keeper dealt with it admirably. FT 4-0</p> <p>Summary; A hard fought victory against a dogged Shore team who fought for the cause,Rangers made it hard for themselves and soon as they realise by playing the easy ball first time Rangers will be a recognise force .Impressive Performances from Matthews,Berry,Newsham ,Smith ,Anderson and Bethell but Witter just edges mom.</p>
