Man of the Match	
Awarded to:	
Matthew Berry	
	

A classy performance from a classy player, his reading of the game brought him rewards tonight with a hat-trick. His link up play was a joy to watch will almost definitely be amongst the goals this season.

Welcome Back Everyone!!!!

Here we are again another football season amongst us with some new signings and some departures. I for one am glad there is only so much shopping you can do at Asda/Morrisons/Tesco/Matalan and that was only in the first week.

With the season already underway on the Sunday Rangers had to wait till the Thursday to get underway, against a very strong St Anne's side.

On a wonderful night for football it was Rangers who was asking the early questions with Scott Anderson firing just wide in the opening minutes. It was a cagey start from both teams not making any early mistakes and trying to impress there relevant managers where on the minds of the kids.

GOAL ACTION!!!!!! on 8mins when new signing Jack (jr)Newsham lofted a ball into the path of attacking full back Paul Stoney who coolly slotted past the keeper.(1-0)

St Anne's rallied and a couple of long range shots tested another new signing James Wilson but found him in great form and where denied with some great handling. Chances where beginning to come thick and fast with Scott Anderson and another new boy Ryan Matthews testing the keeper but again where denied.

GOAL ACTION!!!!!! Matthew Berry open up his account for the season when he heads home a superb left wing cross from Ryan (carlos)Williams to give the keeper no chance. New central pairing Sam Witter and Alex Bethell where a rock all night and St Anne's found them tough cookies to get pass. **GOAL ACTION!!!!!!** on 23 mins again attacking left back Williams skips past his man to deliver a ball with pace into the box which St Anne's defenders hesitated but that man again Berry never and he buries it into the back of the net.(3-0)

Another new signing Mike Smith was instrumental in many of the raids from rangers with his quick and neat passing to Williams down the left hand side which St Anne's couldn't cope with. Williams came off with a bad back and was replaced by Reece Tucker who settled in well for the rest of the game.

Just before the break Jack Newsham superb pass to Ryan Matthews who struck from the edge of the box to rattle the woodwork with the rebound falling to Smith who forced the keeper to make a fine save.HT 3-0

Half time pep talk was all about keeping it the same as the first but with quicker passing and more alert from the bits in and around the box. Again Rangers where the quicker out of the blocks with another new boy Lee Brambles firing inches wide. Contained pressure from rangers was the norm in the second half and was camped for long periods in the visitors half without harming the visitors.

Rangers brought on another new signing Steve Heywood a tricky winger from Wyre Juniors who almost scored within minutes of coming on but was denied by a last ditch tackle from the defender. **GOAL ACTION!!!!!!** on 65mins when Berry again found himself unmarked in the box to head home into the bottom corner from the resulting corner.(4-0)

Heywood found himself through on goal and headed the ball against the keeper with the rebound falling to Scott Anderson who blazes over from 10yards.Marshall Maggs and Alex Dunkerley was introduced and slotted in to the well oiled side after a rusty start.

Jack Newsham creates half a yard and rifled one towards the bottom corner but was

denied by the fingertips of the St Anne's keeper to prevent rangers scoring again.

Summary; Pleasing performance from the lads and after a shaky start soon got into things and soon rattled in early goals which put the game to bed. With a few more games under our belts hopefully we will be starting games with a high tempo.
